

MODERN GOVERNANCE SUMMIT 2023

Orlando, FL, September 13 – 15, 2023 | Signia by Hilton Orlando Bonnet Creek Resort

Don't miss the biggest, most exciting governance, risk and compliance event of the year.

Get hands-on training in the Diligent solutions you use most

Network with your peers and experts in your field

Earn continuing education credit

Be the first to see what's coming next from Diligent and its partners

Featuring Sessions Across Diligent Solutions Including:

- Boards & Entities
- Education & Government
- Nonprofit Governance
- ACL Analytics & Audit
- ESG & Sustainability
- Cyber & IT Risk
- Compliance & Ethics

Why You Should Attend:

Get the most from your Diligent tools.

- Take part in interactive product workshops ranging from beginner to master
- Explore tips, tricks and efficiencies with your dedicated account team
- Get the first look at new features and enhancements

Turn best practices into standard operating procedure.

- Join peer-led breakout sessions on overcoming today's GRC and ESG challenges
- Network with hundreds of professionals across industries and sectors
- Share your own success stories with your peers

Get more from your Diligent relationship.

- Get the first look at new Diligent features that will save your organization time and money.
- Discover new efficiencies by connecting with Diligent's expansive partner network.
- Make better decisions faster by exploring other ways Diligent can support your organization

"You connect with people that you would have never connected with and they may not be in the same type of business that you're in, but they're utilizing it for the same reasons. And maybe they're putting information into the database that you never thought about putting it in. And so, you gain a lot of information that way."

Carrie T.
